

567—215.6(455B) Public notification.

215.6(1) The department shall make available to the general public in an electronic format the plan of a manufacturer for a system to remove, collect, and recover mercury-added switches from end-of-life vehicles and any report required under 567—215.7(455B).

215.6(2) Publication of all required plans, information, reports, and educational materials under this chapter shall be through no less than two types of media available to the general public. One medium must be available 24 hours per day, seven days per week, and must be maintained with current information. Acceptable types of media include but are not limited to Internet Web sites, periodicals, journals, and other publicly available media in the state.
